Subject: Chumash Fee to Trust and SB Ad Hoc Subcommittee

Dear Supervisors Farr and Adams:

I was shocked to learn that an Ad Hoc Subcommittee thinks that it can negotiate a Fee to Trust agreement with Mr. Armenta! This, especially in light of the fact that the Board of Supervisors voted 4:1 on Oct. 15, 2013 not to condone or support or offer Fee to Trust.

Please direct your Ad Hoc Subcommittee to drop their actions immediately.

Sincerely,
Marcia Ross
