Southern California Edison Helps the Community Clean Up

(SANTA BARBARA, Calif.) – Southern California Edison (SCE) is coordinating the distribution of 100 debris removal clean-up kits to returning homeowners and renters in the Montecito area. This effort has been made possible by generous donations and outreach organized through SCE.

Debris removal is one of the first steps to recovery and includes clearing, removing and disposing of various items created by the storm. Getting things out of the way and cleaning up homes allows those impacted to begin the process of moving life back to normal and is an important step in our rebuilding and recovery process as a community.

The debris removal kits are expected to be available this week starting Tuesday, while supplies last, at the following locations:

- Montecito Fire Station #2 – 2300 Sycamore Canyon Rd, Montecito
- Montecito Union School – 385 San Ysidro Rd, Santa Barbara
- Montecito Water District – 583 San Ysidro Rd, Montecito
- Summerland Post Office – 2245 Lillie Ave, Summerland
