Employee Child Care Project Update

We are happy to announce that we will be presenting the Employee Child Care Study results to the Board of Supervisors tomorrow, **Tuesday, June 2nd** in the County Administration Building Board Hearing Room, 4th floor, 105 East Anapamu Street.

We hope you will be able to share the public release of the study's key findings with us. All participating employers, employees and community members are invited to attend the presentation.

Plus, we would like to acknowledge you for the paramount role you have played in the success of the project.

We are currently scheduled as one of the

first items on the agenda. However, as many of you know, it is difficult to predict the exact time we will be presenting. Our best estimate is that it will be around **10am**. To be safe, we

recommend that you arrive by **9:30am**.

After the Board of Supervisors presentation, the Partnership will meet on **Wednesday, June 3rd** to review the details of the study results and to discuss the project's next steps.

All reports (individual

Employer Reports and the Downtown Employee Child Care Study report) will be distributed to partners on Wednesday, June 3rd during the Partnership meeting.

Please email Holly at hgold@countyofsb.org for more details and to confirm your attendance.

An electronic version of the study will be available on the project's website, http://www.countyofsb.org/ceo/ece/survey/about_survey.asp.
