**Re: *TEDx Santa Barbara Video Featuring Megan Riker-Rheinschild, Victim Assistance Director
Santa Barbara County District Attorney's Office***

Santa Barbara County District Attorney Joyce E. Dudley has proudly posted on the District Attorney's website a YouTube video of the recent Tedx Santa Barbara talk presented by Megan Riker-Rheinschild, Victim Assistance Director of the Santa Barbara County District Attorney's office. The subject matter of the talk is human trafficking in Santa Barbara County. According to District Attorney Dudley, "Ms. Riker-Rheinschild has steadfastly advocated for not just human trafficking victims but all crime victims throughout her 20 plus years of service in our District Attorney's Office. Megan has also become a state and national leader in supporting and advocating for crime victims, thereby effecting tens of thousands of victims and their loved ones throughout our state and county. The people of Santa Barbara County are indeed fortunate to have her play such a critical role in all of our lives."
