CHANGE OF NON-MANAGING PART-OWNER

This application must be approved to transfer a permit following addition or deletion of a non-managing part-owner of an oil or gas facility subject to Chapter 25B of Santa Barbara County Code. The application must be filed jointly by the current facility owner (or managing partner) and the new part owner, and the information provided must be certified by official representatives of both companies. Submit application to the Energy Division no later than 30 days following the ownership change.

1. **Permitted Facility** _____
Owner/Managing Partner _____
New Part-Owner _____

2. Does the change involve a guarantor for the facility? _____
If yes, you must also apply for change of guarantor (Form 25B-G).

3. **Description of Changes.** Describe the ownership changes, including dates and ownership percentages. Identify companies involved. Have any companies ceased to be owners as a result of the changes?

4. **Informational Statement.** Attach a completed Form 25B-IS for any new part-owner.

5. **Processing Fee.** Attach a check for permit processing in the amount of \$250.00 made payable to County of Santa Barbara.

CERTIFICATION OF ACCURACY AND COMPLETENESS

I hereby declare under penalty of perjury that the information contained in this application and all attached materials is correct, true and complete. I acknowledge that if it is determined that the information and materials submitted are not true and correct, I may be subject to enforcement actions under Chapters 25B and 24A of the County Code.
