

TABLE OF CONTENTS

	<u>Page</u>
CHAPTER 1: INTRODUCTION	1
Section 1-A: Initiation of Study	4
Section 1-B: Future Demand for Natural Gas in California	5
Section 1-C: A Typical Gas Processing Operation	7
Section 1-D: References	11
CHAPTER 2: STUDY AREA	13
Section 2-A: Boundaries	13
Section 2-B: Profile of the Study Area	14
2-B.1: Meteorological Profile	14
2-B.2: Air Quality Profile	17
2-B.3: Geologic Profile	18
2-B.4: Hydrologic Profile	19
2-B.5: Ecologic Profile	21
2-B.6: Archaeologic/Historic/Cultural Profile	23
2-B.7: Demographic Profile	23
2-B.8: Profile of Circulation	24
2-B.9: Economic Profile	27
2-B.10: Profile of Public Services	27
2-B.11: Land-Use Profile	28
Section 2-C: Oil and Gas Development	30
2-C.1: Onshore Oil/Gas Fields	30
2-C.2: Offshore Oil/Gas Fields	39
Section 2-D: References	41
CHAPTER 3: SCREENING AND SITING CRITERIA	45
Section 3-A: Public Safety Issues and Criteria	46
3-A.1: Risks of Gas Processing Facilities	49
3-A.2: Hazards of Transporting Raw Gas & Sales Gas Via Pipeline	51
3-A.3: Risks of Transporting Other Hazardous Materials	56
Section 3-B: Land-Use Issues and Criteria	60
3-B.1: Minimizing Impacts to Urban Growth	60
3-B.2: Avoiding Conflicts With Recreational Resources	61
3-B.3: Preservation and Protection of Agriculture and Open Space	62
3-B.4: Avoiding Airport Zones	66
3-B.5: Land-Use Considerations Specific to the Coastal Zone	67
3-B.6: Military Reservations	68
3-B.7: Onshore Oil and Gas Production Fields	71
3-B.8: Consolidation	72
Section 3-C: Air Quality Issues & Criteria	73
3-C.1: Examination of Issues	73

	<u>Page</u>
3-C.2: Development of Criteria	74
Section 3-D: Ecological Issues and Criteria	76
3-D.1: Rules and Regulations	76
3-D.2: Siting Criteria	76
Section 3-E: Hydrologic Issues and Criteria	82
3-E.1: Surface Water Issues	82
3-E.2: Groundwater Issues	82
3-E.3: Siting Criteria	82
Section 3-F: Geologic Issues and Criteria	84
3-F.1: Siting Criteria	86
Section 3-G: Aesthetics and Noise -- Issues and Criteria	87
3-G.1: Aesthetic Issues	87
3-G.2: Rules and Regulations - Visual	90
3-G.3: Criteria	91
3-G.4: Noise Issues	93
3-G.5: Rules and Regulations	93
3-G.6: Siting Criterion	94
Section 3-H: Cultural Resource Issues and Criteria	95
3-H.1: Cultural Resources Issues	95
3-H.2: Rules and Regulations	95
3-H.3: Siting Criteria	95
Section 3-I: Infrastructural and Emergency Services and Criteria	97
Section 3-J: References	98
CHAPTER 4: APPLICATION OF CRITERIA	101
Section 4-A: Application of Screening Criteria	101
Section 4-B: Application of Siting Criteria	115
Section 4-C: References	116
CHAPTER 5: PUBLIC COMMENTS ON DRAFT STUDY	121
APPENDIX A: Hazard Distances Associated with the Gaviota Gas Plant	167
APPENDIX B: Summary of Mitigation for Sour Gas Pipelines	168
APPENDIX C: Rules and Regulations Concerning Groundwater Development and Use	170
APPENDIX D: Federal, State, and Local Rules and Regulations Designed to Protect Cultural Resources	171
APPENDIX E: Enacting Resolution and Ordinance for Comprehensive Plan Land Use Element and Article III Amendments	173
APPENDIX F: Enacting Resolution and Ordinance For Local Coastal Program	180
BIBLIOGRAPHY	195

LIST OF TABLES AND FIGURES

<u>TABLES</u>	<u>Page</u>
Table 1.1 Major Components of Raw Gas	8
Table 2.1 1987 Gas Production From Onshore Oil Fields in Study Area	35
Table 3.1 Screening Criteria	45
Table 3.2 Siting Criteria	47
Table 3.3 State and County Parks in Study Area	62
Table 3.4 Deleted --	
Table 3.5 Summary of Groundwater Conditions	83
<u>FIGURES</u>	
Figure 1.1 Study Area	2
Figure 1.2 Natural Gas Demand and Supply Summary	6
Figure 1.3 Simplified Gas Processing Flow Diagram	9
Figure 2.1 Study Area	15
Figure 2.2 Generalized Regional Faults	20
Figure 2.3 Generalized Major Groundwater Basins	22
Figure 2.4 Circulation and Population Map	25
Figure 2.5 South County Land Use Categories	31
Figure 2.6 North County Land Use Categories	33
Figure 2.7 Approximate Location of Oil/Gas Fields and Projects	37
Figure 2.8 Santa Maria Basin (OCS) Projected Gas Production	40
Figure 3.1 Offsite Gas Pipeline Corridors in the South County	53
Figure 3.2 Southern California Gas Company Sales Gas Transmission Line	57
Figure 3.3 Parks and Recreation Areas in the Study Area	63
Figure 3.4 Depiction of Coastal Zone and Vandenberg Air Force Base	69
Figure 3.5 Nipomo Dunes Complex	79
Figure 3.6 Unocal's Battles Gas Plant	89
Figure 3.7 Shell's Molino Gas Plant	89
Figure 4.1 Subareas	103
