DISASTERS
WE NEED EACH OTHER

Mutual Aid for Public Works
Remembering
OMG Look What The Storm Brought

1995 Floods

Storm toll at $100 million
Bye Bye Homes, Roads and
And
And
Bridges
FIRES
Earthquakes
Bummer
We Need Each Other

“It is incumbent upon all of us to prepare for a potential major disaster within Santa Barbara County without access to communities beyond our borders. In such a disaster we need to insure that we have in place the administrative tools available to share resources for the protection of the public we serve”

Scott McGolpin, May 9, 2008
