## Meeting Summary

The meeting of April 5<sup>th</sup> began with an overview of the IRWM Plan and the sub-regions which the Plan had considered. These are: 1) Santa Maria; 2) Cuyama; 3) San Antonio; 4) Santa Ynez; and 5) South Coast. A discussion ensued about the utility of these sub-regional distinctions for the purposes of project development in a regional and sub-regional context, the group voted to pursue the following sub-regions: North County, Mid-County and South County. A project brain-storming session then ensued per the following sub-regions:

- 💧 North County
  - 💧 Sub-Regional recycled/reclaimed water plant
  - 💧 Regional water bank
  - 💧 Sub-Regional desalination plan
- 💧 Mid County
  - 💧 Sub-Regional recycled/reclaimed water plant
  - 💧 Sub Regional brine line
  - 💧 Sub-regional infiltration/flood control projects
  - 💧 Sub-regional projects of existing well rehabilitation
  - 💧 Contractual In-Lieu Transfers of State and River /Lake Water
- 💧 South County
  - 💧 Santa Barbara/Goleta Inter-tie/inter-connect project
  - 💧 Sub-Regional Desalination
  - 💧 Rehabilitation of Glen Annie Reservoir
  - 💧 Sub-Regional pasteurization project

- 💧 Relocation of the Barge for Cachuma
- 💧 Sub-Regional recycled/reclaimed water expansion
- 💧 Sub-Regional project pumping into Cachuma
- 💧 Upper-reach pipeline
- 💧 SCC Project scoping and Cachuma efficiency project

The group also discussed the following IRWM Region wide projects:
