

# Immunization Update 2010 –

A National Center for Immunization and Respiratory Diseases, Centers for Disease Control and Prevention and the Public Health Training Network Webcast

***You're invited to attend this free Webcast***

**Date: August 5, 2010**

**Time: 9:00 am – 11:30 am**

**Offered in Two Locations:**

**Santa Barbara Public Health**

Auditorium  
300 N. San Antonio Rd.  
Santa Barbara

**Santa Maria Public Health**

Multipurpose Room  
2115 S. Centerpointe Pkwy.  
Santa Maria

**Registration:**

You must contact the Immunization Program at 346-8420 or email [Nancy.Rosenberg@sbcphd.org](mailto:Nancy.Rosenberg@sbcphd.org) no later than July 26<sup>th</sup> to register.

This live broadcast and webcast is CDC's annual update on the most recent and significant developments in the rapidly changing field of immunization. Anticipated topics include influenza, pneumococcal conjugate, human papillomavirus and meningococcal vaccines. Other emerging issues will be discussed, including the latest information from the June 2010 meeting of the Advisory Committee on Immunization Practices.

**Objectives**

After this program, participants will be able to:

- List two recent immunization recommendations made by the Advisory Committee on Immunization Practices (ACIP).
- Describe two emerging immunization issues.
- Locate resources relevant to current immunization practice.
- Obtain, assess and apply patient information to determine the need for immunization.

**Target Audience**

Physicians, nurses, nurse practitioners, physician assistants, DoD paraprofessionals, pharmacists, health educators and their colleagues who either administer vaccines or set policy for their offices, clinics, communicable disease or infection control programs. Both private and public healthcare providers, including pediatricians, family practice specialists, residents, and medical and nursing students.

**Faculty**

Donna L. Weaver, RN, MN; Andrew T. Kroger, MD, MPH; Iyabode Akinsanya-Beysolow, MD, MPH, FAAP; and William L. Atkinson, MD, MPH; National Center for Immunization and Respiratory Diseases, Centers for Disease Control and Prevention and other guest experts.

**Continuing Education Information**

Continuing education (CE) for this activity is pending. See final announcement for details. The Centers for Disease Control and Prevention is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

You must register for Continuing Education using this online system and then complete the course evaluation found at <http://www2a.cdc.gov/TCEOnline/>.

Continuing Education for this activity will expire on September 7, 2010. For full accreditation statements, including information about pharmacy credit, go to the program website after July 8.
