

AFFIDAVIT OF RESPONSIBILITY FOR TEMPORARY POWER

I, the undersigned, hereby as evidenced by the affixing of my signature below, agree to accept all responsibility for the safe installation and security of all electrically energized wiring and/or equipment at the following address until such time as the building(s) are finalized and issued a permanent Certificate of Occupancy by the County of Santa Barbara.

THE COUNTY OF SANTA BARBARA, BUILDING & SAFETY DIVISION UNDERSTANDS THAT THE FOLLOWING GUIDELINES WILL BE COMPLIED WITH:

1. Signed agreement with owner, or electrical or general contractor.
2. a) All Electrical installations in accordance with the latest adopted Electrical Code.
b) Minimum of two circuits will be provided. All energized 120 volt circuits as approved shall be G.F.C.I. protected. No other circuits are to be energized unless expressly approved by the Building Division.
3. All openings in panel to be covered / protected. Panel to be properly installed and braced.
4. Panel will be secured when responsible contractor is not at the job site (i.e. after work hours).
5. Hazardous conditions or misuse will result in immediate disconnection.
6. No portion of the building is to be occupied until a Certificate of Occupancy has been issued, or approval granted by the County of Santa Barbara.
