## COUNTY OF SANTA BARBARA

November 22, 2016

Kenneth Kahn  
Tribal Chair  
Santa Ynez Band of Chumash Indians  
P.O. Box 517  
Santa Ynez, CA 93460

Dear Chairman Kahn:

Thank you for your continued work and commitment to securing a mutually beneficial intergovernmental agreement for Camp 4. As referenced in your letter of October 12, 2016, the meetings between the Ad hoc Subcommittee of the Board of Supervisors and the Tribe have been both "productive and enlightening". The Tribe and the County have worked diligently and in good faith to understand the unique needs of our governments in order to craft an agreement that will enhance the communities we serve.

As you are aware, with the recent election, there is a transition of leadership within the Third District of the County. Due to the transition, there will be changes to the County's Ad hoc Subcommittee negotiating team. Therefore, we would like to continue the discussions between the Tribe and the County to January of 2017. However, in the interim, in order to bridge this time of transition, it is recommended that County and Tribal staff continue preparatory discussions on the key areas mutually agreed upon. Terri Nisich, Assistant County Executive Officer will be in contact with your representatives to follow up on this letter.

We look forward to continuing to work with you and your representatives in the New Year.

Sincerely,

Doreen Farr  
Third District Supervisor

Sincerely,

Peter Adam  
Fourth District Supervisor
