NOTICE OF VOLUNTARY EVACUATION (WARNING) FOR THOMAS FIRE

(SANTA BARBARA, Calif.) – Under the advice of the Thomas Fire Incident Commander, the Santa Barbara County Sheriff's Office has issued a Voluntary Evacuation (Warning) for areas in and near the city of Carpinteria. Effective immediately the following areas are under Voluntary Evacuation (Warning):

- All areas from the 5500 block of Casitas Pass Rd. (Hwy 192) east to the county line to include Lillingston Canyon and Cate Mesa, and all addresses north to the county line.
- All addresses along the east side of Bailard Ave. from Hwy 101.
- All areas south of Hwy 101 to the coast and east of Dump Rd, to include all of the Bates Road and Rincon areas.

Voluntary Evacuation (Warning) means there is a potential threat to life and property from the fire, but does not generally require leaving immediately. People in the Evacuation (Warning) Area should make preparations should a mandatory evacuation order be issued. People with access and functional needs should consider leaving now. Consideration of evacuating large animals now may be prudent.

If a Mandatory Evacuation (Order) is issued, people living in the rural areas along Hwy 150 should use Hwy 150 to Hwy 192 to avoid the Hwy 101 area due to congestion.

Evacuation Shelter: An evacuation shelter is open at the University of California, Santa Barbara Multi Activity Center, 516 Ocean Rd, Santa Barbara, 93106. Evacuees should enter UCSB through the main east entrance, park in parking lot 16. Staff will guide you to the Center. Directions to UCSB from NB Hwy 101: Follow signs for US-101 North through Santa Barbara. At exit 104B, take ramp right for CA-217 toward Santa Barbara Airport /UCSB. Road name changes to CA-217 N / Ward Memorial Blvd (505 ft). At the roundabout, take the first right onto Mesa Road, then turn left on Ocean Rd. Lot 16 is on the left, across the street from the Rec Center.

Animal Evacuations: For assistance with evacuation of large animals, livestock or small pets, please call Santa Barbara County Animal Services hotline at (866) 387-8911.

Emergency Alert System: It is critical that people in Santa Barbara County register to receive emergency alerts. Sign up at www.AwareAndPrepare.org. If we can’t reach you, we can’t alert you.

THOMAS FIRE: CLARIFICATION OF MANDATORY AND VOLUNTARY EVACUATION AREAS – 8:30 P.M.

(SANTA BARBARA, Calif.) – The Santa Barbara County Sheriff’s Office has issued mandatory and voluntary evacuations orders for parts of the city of Carpinteria, Summerland, and unincorporated areas of Santa Barbara County effective 8:30 p.m. on Thursday, December 7.

The Mandatory Evacuation (Order) areas include the area of Highway 192 on the south, Highway 150 on the east (county line), Casitas Pass Road to the west and extending north to East Camino Cielo. This area was previously under a voluntary evacuation warning area. The previous mandatory evacuation orders remain in effect for the area of Highway 150 from Rincon Hill Road South to the 101 and included Bates Road and the area known as Rincon Point at the south end of Bates Road.

The Voluntary Evacuation (Warning) includes the area bounded by Highway 101 on the south, Highway 150 on the east (county line), Toro Canyon Road on the west and extending north to East Camino Cielo.

Mandatory Evacuation (Order)
- **NEW:** The area of Highway 192 on the south, Highway 150 on the east (county line), Casitas Pass Road to the west and extending north to East Camino Cielo.
- Eastside 150 from Rincon Hill Road to Highway 101
- Bates Road
- Camino Carreta
- Rincon Pt Road
- Rincon Pt. Lane
- Buena Fortuna
THOMAS FIRE: CHANGES IN MANDATORY AND EVACUATION ORDERS
ADD 1-1-1

If a Mandatory Evacuation (Order) is issued, you are advised to leave the area immediately. Emergency response personnel may not be able to assist you if you choose to remain. In addition, your presence in the area may hinder emergency response. The mandatory evacuation area will be patrolled by law enforcement personnel.

If residents need assistance to leave the evacuation area, please call 911.

Voluntary Evacuation (Warning)
- **NEW:** The area bounded by Highway 101 on the south, Highway 150 on the east (county line), Toro Canyon Road on the west and extending north to East Camino Cielo.
- All areas from the 5500 block of Casitas Pass Road (Highway 192) east to the county line to include Lillingston Canyon and Cate Mesa, and all addresses north to the county line.
- All addresses along the east side of Bailard Avenue from Highway 101.
- All areas south of Highway 101 to the coast and east of Dump Road to include all of the Bates Road and Rincon areas.

Voluntary Evacuation (Warning) means there is a potential threat to life and property from the fire, but does not generally require leaving immediately. People in the Voluntary Evacuation (Warning) Area should make preparations should a mandatory evacuation order be issued. If you live in a voluntary evacuation zone, you should be prepared to leave immediately upon receiving instructions to do so. You may receive these instructions with very little notice. People with access and functional needs should consider leaving now. Consideration of evacuating large animals now may be prudent.

Emergency Shelters:
- UCSB Recreation Center (516 Ocean Rd., Santa Barbara). Evacuees are to enter UCSB through the main east entrance, park in parking lot 16. Staff will guide them to the Center. Directions to UCSB from Northbound Highway 101: Follow signs for US-101 north through Santa Barbara. At exit 104B, take ramp right for North CA-217 toward Santa Barbara Airport/UCSB. Road name changes to North CA-217/Ward Memorial Blvd. At the roundabout, take the first right onto Mesa Road, and left on Ocean Road. Lot 16 is on the left, across the street from the Recreation Center.

Animal Evacuations:
- For assistance with evacuation of large animals, livestock or small pets, please call Santa Barbara County Animal Services hotline at (805) 681-4332.
- Santa Barbara Humane Society is accepting small domestic animals.
- Earl Warren Showgrounds is accepting large animals.
THOMAS FIRE: CHANGES IN MANDATORY AND EVACUATION ORDERS
ADD 2-2-2

Road Closures:
• Highway 101 now open with CHP escorts and intermittent closure as necessary.
• Hard closure: Gobernador Canyon Road from Highway 150 to Highway 192.

Emergency Alert System: It is critical that those in Santa Barbara County register to receive emergency alerts. Sign up at www.AwareAndPrepare.org. If we can't reach you, we can't alert you.

Residents of Carpinteria and Summerland will see smoke and fire activity from the Thomas Fire Incident now through the morning, and the fire will seem closer than it actually is during the night. The current Evacuation Warning for the Foothills of Carpinteria and Summerland will remain in place. Fire crews are currently on the fire line and actively engaged in firefighting operations. If you feel the need to evacuate under the voluntary evacuations for any reason, please do so. Be prepared to evacuate if conditions change. For more information on how to prepare, go to http://www.readyforwildfire.org/. The Thomas Fire Incident Command will advise of any significant condition changes as they occur, otherwise the next update will be at 10am December 10, 2017 from the Santa Barbara County Office of Emergency Services.

Los Padres closes National Forest due to Thomas Fire

GOLETA, CA…Effectively immediately, Los Padres National Forest officials issued a forest order prohibiting access on the Ojai, Santa Barbara and Mt. Pinos Ranger Districts.

The Thomas Fire is actively burning on multiple ranger districts, with separate flanks of the fire continuing to grow and spread rapidly. This closure is being implemented to provide for public safety and will remain in effect until it is safe to reenter the area.

District Ranger Pancho Smith said “We are experiencing unprecedented conditions and fire behavior for this time of year. Our top priority is the safety of the public, adjacent communities, and our firefighters”.

The boundary of the Thomas Fire Closure Area begins at the intersection of California Highway 154 and the boundary of the Los Padres National Forest just north of its intersection with Forest Road No. 5N12 (East Camino Cielo Road), then continues northeast along the boundary of the San Rafael and Dick Smith Wilderness Areas. The closure then continues east, south and west along the forest boundary back to the starting point, as shown on Exhibit B.

Forest Service law enforcement officers will strictly enforce the closure order, which carries a penalty of $5,000 and/or six months in jail.

THOMAS FIRE: NEW EVACUATION ORDER ISSUED

(SANTA BARBARA, Calif.) – Due to changing conditions, Thomas Fire Unified Command requested the Santa Barbara County Sheriff’s Office to issue an order expanding the mandatory evacuation to include the Carpinteria and Montecito areas east of Buena Vista Drive, north of Hwy 192 to the County line. Residents in this area should evacuate now. The Rincon Point area remains under mandatory evacuation.

The Sheriff’s Office has also issued a voluntary evacuation warning from east of San Ysidro to the County line and south of Highway 192 to the ocean. This includes the city of Carpinteria and some areas of Montecito. Residents in this area need to be prepared to leave in a moment’s notice.

Now is the time to gather your family members, pets, irreplaceable and necessary items including prescriptions and documents in case you are ordered to evacuate. If you are ordered to evacuate, leave immediately. If at any point you feel threatened, don’t wait for a mandatory order.

An evacuation shelter has been established at the UCSB Recreational Center, 516 Ocean Road, Santa Barbara, 93106. Evacuees should enter UCSB through the main east entrance, park in parking lot 16. Staff will guide you to the Center. Directions to UCSB from Northbound Highway 101: Follow the signs for US-101 North through Santa Barbara. At exit 104B, take ramp right for CA-217 toward Santa Barbara Airport /UCSB. Road name changes to CA-217 N / Ward Memorial Blvd. At the roundabout, take the first right onto Mesa Road, and left on Ocean Road. Lot 16 is on the left, across the street from the Recreation Center.

Power outages have resulted in intermittent Internet access. To get up to date incident information, residents in the 805 area code can call 211. Outside of area code 805, call toll free 800-400-1572. You can also contact 211 via text or simply text your zip code to 898211.

Note: An emergency alert was sent countywide, please disregard if you are not in or near the city of Carpinteria.

THOMAS FIRE: Residents Permitted to Re-enter Some Areas of Carpinteria

(SANTA BARBARA, Calif.)–Residents only are permitted to return to the Gobernador, Lillingston Canyon, and Shepherd Mesa area beginning at 12 p.m. today. This is the area east of Casitas Pass Road to the County line and north of Highway 192. Prior to resident notification, the area was determined as safe from the Thomas Fire and from other hazards. We cannot emphasize this enough, only residents are allowed in this area at this time. The area remains under an Evacuation Order and residents are urged to remain vigilant.

Some homes in this area may have been damaged or destroyed by the Thomas Fire. If you live in this area and would like information on whether your home was damaged or destroyed by the fire prior to your return, call (805) 681-5542.

Authorities are in place to:

- Maintain safety and security during the repopulation of the community.
- Provide resources on site to ease the impact of those returning home, and
- Provide guidance to those returning on how to safely be in the evacuated area and resources to the individuals.

A Red Cross Emergency Response Vehicle (ERV) is on-site with counselors, materials for distribution regarding returning home to damages and destroyed homes, clean up kits, food and water.

THOMAS FIRE: All Evacuation Orders Lifted

(SANTA BARBARA, Calif.) – All Santa Barbara County mandatory and voluntary evacuation orders have been lifted effective 9 am on December 21, 2017.

For those who have animals in shelter care, please pick up your animals before returning home.

Once a wildfire has burned through an area, many dangers may remain. Please exercise safety precautions when returning to your home.

- When entering your property check for trees, brush, rocks and debris. Trees may be weakened or destroyed as a result of the fire. Be on the lookout for utility poles which may be weakened.

- As you walk around your property, check for fire or fire damage. Hot embers may be seen in rain gutters, on the roof and under overhangs, under decks and in crawl spaces. You may see marking tapes or placards on your mailboxes or home. These were used by first responders and can now be discarded.

- If your services are off, check for burned service equipment and facilities. If there is visible damage, DO NOT attempt to repair or turn on these services. Call your local utility companies.

- Once you have secured the outside of your home, check inside for fire or fire damage. Check for embers in the attic which may have entered through vents. If electricity is off, turn off all appliances before turning it on. Check if the phone is working. Check if security systems and alarms are working.

If you find any of these conditions:

1. Fire or other emergencies – stay away and call 911
2. Damaged utilities – report them to your local utility
