# QCM Tidbits

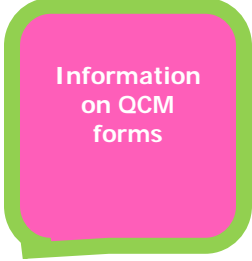

## Kudos

Kudos to staff at Santa Maria Adult, Santa Maria Children, Lompoc TAY, and Lompoc Adult for correctly completing their corrective action plans and submitting them on time. Thank you for your hard work on Documentation!

In April, QCM requested data and documents in order to complete the Network Adequacy Certification Tool (NACT) required by the California Department of Health Care Services (DHCS). We would like to thank everyone who supported in gathering information to meet the deadline. We appreciate your ongoing help in updating the information quarterly.
