

QCM Tidbits

APRIL NACT IS HERE

The NACT is due April 1st. An information session is scheduled for 03/18/2019 at 1:00 pm. Please contact Jessica Korsan, QCM, if you would like to be added to the information meetings or if you have any questions during this process.

Credentialing

A friendly reminder that credentialing must be completed by QCM before individuals can provide Medi-Cal services. The credentialing date is the date that QCM completes the checks and enters the individual into ShareCare, so please return the SPID form to QCM as soon as possible when on-boarding a new staff. The link to the SPID is here:

<http://www.countyofsb.org/behavioral-wellness/Asset.c/4449>

Kudos

KUDOS to the amazing PHF Staff and Leadership who had a surprise biannual State audit beginning on Valentine's Day, and concluding with a very positive exit interview from the auditors. Many positive remarks were shared regarding the facility improvements, nursing skills and documentation improvements, and superb dietary services. SHOUT OUT to the PHF who provides an incredibly challenging and complex variety of inpatient services to the highest risk, most vulnerable and ill patients. We are proud of all of your hard work and dedication! You will always be our Valentine.
Love, The QCM Team

Santa Barbara County went "live" with our Drug Medi-Cal Organized Delivery System Services on December 1, 2018, offering expanded services to Santa Barbara County Medi-Cal Beneficiaries. With the DMC-ODS Waiver, we have rolled out multiple levels of care and centralized screening through our ACCESS line for Outpatient and Residential Substance Abuse Treatment. For more information please see our website at <http://www.countyofsb.org/behavioral-wellness/alcohol-home.sbc> for a description of services and review the Provider Directory to get acquainted with the specific providers in your area. For all Medi-Cal Beneficiaries seeking Substance Abuse Treatment, please refer to our 24- Hour ACCESS line at 1 (888) 868-1649.
