* Net Operating Impact is funded by Other Financing Sources or use of Fund Balances.

The Fiscal Year 2013-14 recommended operating expenditures for all funds totals $844.5 million; an increase of $11.2 million from Fiscal Year 2012-13 adopted operating expenditures. The recommended budget includes $37.0 million in Capital Assets.

The proposed budget is primarily balanced with Fiscal Year 2013-14 operating revenues of $839.5 million and the net use of fund balances of $43.7 million. The increase in total Fiscal Year 2013-14 revenues of $24.0 million from the FY 2012-13 adopted of $815.5 million is primarily attributed to increases in intergovernmental revenues and property taxes.

Staffing levels in the Recommended FY 2013-14 Operating Plan are 3,891.2 Full Time Equivalent (FTE) positions. This is a decrease of 32.5 FTE compared with 3,923.7 FTE in the FY 2012-13 Adopted budget. The decrease in recommended FTEs is primarily in the Fire Department, Probation, and General Services. The Fire Department will decrease 10 firefighter FTEs with eight from Engine 11 and two from Station 22. Probation will have a net decrease of 8.2 FTEs from decreased California Community Corrections Performance Incentive Act of 2009 funding (restored in the Governor’s Budget May Revision with further details in the Final Budget Adjustments) and a decrease of staff at the juvenile hall due to a reduced daily population. General Services has various reductions that net to 8.4 FTEs.

**Final Budget Adjustments**

As is the case each year, events have occurred since the Recommended Budget was prepared which prompts staff to recommend adjustments to various appropriations and revenues. The recommended adjustments fall into two main categories listed here and detailed in Attachment A:

1. Re-budgeting appropriations included in the Fiscal Year 2012-13 budget, but not spent during the fiscal year, and moved to a designation via a Budget Revision during Fiscal Year 2012-13 for use in Fiscal Year 2013-14.

2. Other recommended changes adjust General Fund and non-General Fund budgets.

Attachment A is a list of all final budget adjustments recommended for approval by the Board.
**Ongoing Grants and Contracts**
The County has numerous ongoing grants and contracts that are renewed each year with the funding and expenditures approved by the Board during the annual budget hearings. The execution then becomes ministerial and can be delegated to the County Executive Officer, who will verify their inclusion in the Adopted Budget and sign for the County, thus reducing the number of administrative agenda items that come before the Board during the year. The Board has customarily delegated this authority to include grants and contracts where amounts are up to 10% more or less than indicated amounts, and approval of changes up to $5,000 from the Board approved amounts on contracts less than $50,000. This process has proven to be an efficient and responsive way for the agencies involved and to comply with the Board’s policy direction.

The grants to be included in this year’s delegation are identified in **Attachment B**. The contracts to be included in this year’s delegation are identified in **Attachment C**. The contract list could include *part-year* contracts that would have been for the same amount as the prior year if the request had been to renew them for a *full year*. For example, a contractor was paid $100,000 for a full year’s work last year but the proposed contract is for $50,000 for 6 months work in Fiscal Year 2013-14.

**Budget Resolution**
The Resolution of the Board of Supervisors follows as **Attachment D**. Note the resolution allows the County Executive Officer, under limited circumstances, to approve changes to appropriations for previously approved equipment purchases.

**Mandates and Service Levels**
Board approval of these proposed changes (final budget adjustments and ongoing grants and contracts) during budget hearings is discretionary. The budget hearings, recommended budget and the budget resolution are subject to the Government Code of the State of California Chapter 1, Division 3, Title 3, Articles 3 and 4.

**Fiscal and Facilities Impacts:**
Approval of these recommendations adopts the Fiscal Year 2013-14 Recommended Budget (with any modifications determined by the Board) and authorizes the County Executive Officer and/or the County Auditor-Controller to take necessary related fiscal action.
