

COALITION SIGN UP FORM

www.StopDirtyEnergyProp.com

Please list me/my organization/company as an opponent of the Dirty Energy Proposition, a deceptive initiative that is being bank-rolled by two Texas-based oil companies that will repeal AB 32, which establishes clean energy and air pollution control standards. The Dirty Energy Proposition will allow these companies to avoid California's clean energy standards, kill competition and jobs from California's clean energy companies, and keep California addicted to dirty fossil fuels.

Please select a category: Organization Company Individual

**Be sure to indicate whether you are signing up on behalf of your organization/company or if you would like to be listed as an individual supporter.*
