PARK RULES

- As the lake is a source for drinking water, any body contact with the water is prohibited by the State Health Department. This includes swimming, wading, and water-skiing.
- All vehicles must display a Park receipt. This receipt may be revoked without refund for violation of Park rules at any time.
- 15 mph is the speed limit on all Park roads.

- Helmets are required for bicycle, scooter, or skateboard riders under the age of 18.
- Motorized cycles & scooters are not allowed in the park. All vehicles and golf carts must be street legal.

- Waste materials and gray water should be disposed of at the dump station (across from the Marina parking lot). Disposal of these materials on the ground or in the Lake is prohibited.
- Park users are required to keep their site clean. Violators will be cited and evicted.
- Avoid parking and driving under tree canopies and next to tree trunks. Vehicle weight compacts tree root structure and reduces tree survival.

- Quiet time is 10 pm to 7 am. Radios, generators, and any activities that annoy neighboring campers are not allowed
- Firearms (including BB guns & rifles), fireworks, and explosives are prohibited. Violators will be cited and evicted from the park.
- Fires are permitted in established fire pits, BBQs, and approved containers. Open ground fires are not allowed. No fire shall be left unattended. Visitors must extinguish entirely all fires before checking out.
- All plants, animals, archaeological materials, and natural resources (including wood) are protected by law and may not be collected, removed, damaged, injured, or burned.
