

CARETAKER RELATIVES FOR THE AFDC CHILD

Instructions:

1. Enter the child's name in the box labeled "child"
2. Enter your name in the box that fits your relationship to the child and complete all linking boxes.
3. List all persons by their relationship to the child. For example, a person listed in the box labeled "1st cousin" must be 1st cousin to the child.
4. Use both maiden and married names.
5. Complete a separate form for each child with different parents.

I declare under penalty of perjury under the laws of the United States of America and the State of California that the information above is true and correct.
