Reasonable Accommodation Request

The Reasonable Accommodation Request is used to provide for a modification or exception to the rules, standards and practices that apply to the development and use of housing or housing-related facilities regulated by this Development Code that would eliminate regulatory barriers and provide an individual with a disability equal opportunity to housing of their choice. This applies only to those individuals who qualify as disabled under the Federal Fair Housing Act and the California’s Fair Employment and Housing Act (the Acts) or an entity acting on behalf of such individuals.
