

Consultants List

**This list is updated on-line as changes come in.
Make sure you have the latest version.**

*The department no longer maintains a Fast-Track EIR consultants list effective July 2006.

**The department no longer maintains an Environmental Firms (Not Pre-approved) list effective August 2019. The specialty consultants (e.g. Arborists, Biologists, etc) however, are pre-approved. If you have any questions regarding this, please contact Joe Dargel at extension 83573.

Information listed should be verified prior to issuing any notices or other correspondence to these firms as information could have changed since the last update. Please email Joe Dargel (jdargel@countyofsb.org) with any updates or change requests.
