**TRUSTEE COMMENT**

Chief Executive Officer-Vincent P. Brown, gave the Oath of Office to Al Rotella.

Chair Terris announced that the Investment Risk Advisory Committee (IRAC) had met June 17, 2009, in the Manzanita Room at Casa Nueva, and would normally meet the first Thursday of every month at 2:30 p.m., in the SBCERS Conference Room, Santa Barbara, with the following known exceptions: July 9,

2009, at 2:30 p.m., in the SBCERS Conference Room, Santa Barbara, and September 3, 2009, meeting cancelled. Chair Terris recommended that trustee training modules should be presented to staff by IRAC committee members by the end of the day; and directed staff to distribute an updated contact list of Trustees and System Investment Managers.

Trustee Kendig announced that he might miss the July Board meeting, and clarified the safety procedures for the building are to sign in at the front desk, even though as Counsel explained earlier the Board cannot require a sign in at the meeting. The procedure and the restriction do not conflict. Visitors are required to sign in at the front desk and evacuate during an emergency, at which time the front desk sign-in sheet will be used to verify everyone has evacuated the building safely.

Chair Terris presented a memo asking County to adopt actuarial rates and Trustee Kendig commented how any delays from a planned July start would complicate the payroll of 10 other sponsors in the System.
